Americans For Fair Taxation - Chippewa Valley
Mission Statement

We have put together this group to garner support for the passage of The FairTax Act. The FairTax is legislation that is currently introduced in Congress as HR-25 in the House of Representatives. Our goal is to educate the public, collect the names of all people that choose to support the bill and let our representatives in Washington know who you are and that you would like them to support, cosponsor and facilitate the passage of The FairTax. We do not endorse any particular candidate for office and we are not affiliated with any political party. We are a nonpartisan group and ask that all current and future Congressperson(s) join us in supporting the FairTax.

For more information, to get involved and/or to stay informed we have included below some resources that you will find invaluable.

You can find our local group on-line at www.chippewavalleyfairtax.org. We post meetings and previous meeting minutes, local and state events and much more. If you have an idea for an event you would like to see us at or help us organize, you can contact us on the website. We also have speakers available to present the FairTax to civic groups, clubs and just about any organization out there. To schedule a speaker, contact us through the website or e-mail us at smartytax@sbcglobal.net.

The primary web site for complete information is FairTax.org. There is a link to it on our home page. Please register on this site so that we know who you are. This is the primary list FairTax.org uses to inform our Congressperson(s) of our support. Your information is used only by FairTax.org and is not given out or sold. It is also the local list we use to notify you of Town Hall Meetings being held by your Representatives and any other events or items of interest. FairTax.org contacts supporters less than once a month. For local support and questions you can e-mail us at smartytax@sbcglobal.net.

The best way to educate yourselves about the FairTax is for you to read the books. They are an excellent resource and very easy to read. The first is titled [The FairTax Book](#) and the second is [FairTax: The Truth](#). They are available at Borders or they can be found online at Amazon.com or BarnesandNoble.com. The bill is 133 pages long and can be found at: <http://thomas.loc.gov/> and search for HR 25.

To stay current, many of us have joined the networking site devoted to FairTax supporters: FairTax Nation. YouTube has tons of videos and clips about the FairTax. There is also a huge following on FaceBook, MySpace and Yahoo Groups. The Wisconsin FairTax group is at wifairtax-subscribe@yahoogleroups.com. In addition, check out Independence Caucus for information on how the FairTax can help turn the tide on lobbyists and the corruption in Washington DC.
