Don't complain about the income tax – *get rid of it!*

Help get HR 25/S 25 passed. This nonpartisan bill
eliminates the IRS "as we know it"
and replaces the income tax with the FairTax.

The FairTax

- ✓ Is a federal consumption tax of 23 cents out of every dollar spent on retail purchases
- ✓ Raises the same amount of revenue for the federal government
- ✓ Creates jobs, where the current system destroys jobs
- ✓ Gives you your paycheck free of federal withholding
- ✓ Eliminates the payroll tax – our most regressive federal tax
- ✓ Provides a monthly rebate that ends taxes up to the poverty level
- ✓ Taxes the trillion-dollar underground economy

Together we can make it happen!

**Attend this all-important meeting with your friends
to learn how you can join this historic FairTax movement.**
